I understand that if the person(s) and/or organizations listed above are not health care providers, health plans, or health care clearinghouses, who must follow the federal privacy standards, the health information disclosed as a result of this authorization may no longer be protected by the federal privacy standards and my health information may be re-disclosed without obtaining my authorization.

Your Right with Respect to This Authorization

- **Right to Receive Copy of This Authorization** - I understand that if I agree to sign this authorization, which I am not required to do, I must be provided with a signed copy of the form.
- **Right to Refuse to Sign This Authorization** - I understand that I am under no obligation to sign this form and that the person(s) and/or organization(s) listed above who I am authorizing to use and/or disclose my information may not condition treatment, payment, enrollment in a health plan or eligibility for health care benefits on my decision to sign this authorization. As a provider or Health Plan, the rule permits you to condition treatment, payment, enrollment in a health plan, or eligibility for health care benefits on the signing of this authorization in the following circumstances:
 - (a) A health care provider may condition the provision of research-related treatment on the provision of an authorization to use and/or disclose an individual's health information for such research.
 - (b) A health plan may condition enrollment in the health plan or eligibility for benefits on the provision of an authorization required prior to enrollment in a health plan, if:
 - (i) the authorization is for the health plan's eligibility or enrollment determinations or for its underwriting or risk rating determination and
 - (ii) the authorization if not for the use and/or disclosure of psychotherapy notes:
 - (c) an entity subject to the Rule may condition the provision of health care that is solely for the purpose of creating health information for disclosure to a third party on the provision of an authorization for the disclosure of the health information to such third party.

If you wish to make such conditions, you must include a description of these circumstances upon signing of this authorization.

- **Right to Withdraw This Authorization** - I understand written notification is necessary to cancel this authorization. To obtain information on how to withdraw my authorization or to receive a copy of my withdrawal, I may contact the Medical Records Supervisor. I am aware that my withdrawal will not be effective as to uses and/or disclosures of my health information that the person(s) and or organization(s) listed above have already made in reference to this authorization.

This authorization is good for 1 year from the date signed below.
